

INDUSTRY INSTITUTE INTERACTION CELL

Better interaction between Institutions and Industry is the need of an hour. For students it is important because they get exposure to industry and subsequent placement in various disciplines. On the other hand, with the advent of globalization and opening up of Indian economy to outside world, competition among the industries has become stiff. So industries also need good students who are well aware of industry standards and capable of achieving so. Therefore, there is an urgent need of interaction of industry and academics where academic institutes can prepare students for jobs in multinational companies and industry will also be benefited by possibility of receiving well-trained workforce. For this to become reality bridging the gap between industry and the academic institute is a must and for this, an Industry Institute Interaction Cell (IIIC) was established at Lingaya's Vidyapeeth.

OBJECTIVES:

- To explore and identify common avenues of interaction with industry
- To establish centre of excellence by Industry/ Corporate to Provide Real Time exposure on technologies
- To promote various research activities by the faculty members and students.
- To establish convergence with industrial and research organizations from various fields through MOUs as a form of interaction.

ROLES OF Industry-Institute Interaction Cell:

- To give industrial exposure to Faculty members and students, thus enabling them to tune their Knowledge to cope with the industrial culture
- To organize Workshop on trending technologies by experts in the field
- To assist the Departments in organizing workshops, conferences and symposia with joint participation of the industries
- Encouraging Engineers from industries to visit institution to deliver lectures
- To organize industrial visits for Faculty members and students
- To coordinate/ identify industrial partners for proposing 'Centre for Excellence'.
- To assist the Training and Placement Division
- Visit of industry executives and practicing engineers to the institute for seeing research work and laboratories
- Memorandum of Understanding between the institute and industries to bring the two sides emotionally and strategically closer
- Visits of faculty to industry for study and discussions or delivering lectures on subjects of mutual interest.
