Tribute

(1910-1962)

(Late) Sri Lingaya Gadde

Lingaya's Society (Formerly Lingaya's Jankalyan Shikshan Sanstha) was established in the memory of the freedom fighter Late Shri Lingaya Gadde, who sacrificed his life to free his motherland, from the shackles of conventionalism, illiteracy and poverty.

Our society is inspired by the strength of such freedom fighters. Shri Lingaya Gadde, an agriculturist by profession, took part in the 1923 Civil Disobedience and Quit India Movement and went to jail several times. He wrote several books on socio-communist issues.

He was the editor of "Navyuga", communists party organizer and also the founder of "Adarsa Grandha Mandali", Elamaru, Andra Pradesh. The Society lays its foundation on its belief in social development built on the pillars of devotion, sacrifice, sanctity of feeling and candid thoughts, thus, making it strong to fructify the dreams of the brave freedom fighters.

....When a collection of brilliant minds,
hearts and talents come together....
Expect a masterpiece”**

(1932-2011)

(Late) Prof. G.V.K. Sinha
Founder Chairman, Lingaya's Group

Prof. G.V.K. Sinha, a unique educationist with remarkable insight into technical education and great expertise in managing the human resources, was a self-made icon in the field of technical and management education. With a B. Tech Degree he took up the career of a lecturer, climbed up the ladder as Head of the Department, Asst. Director and then the Principal in various reputed technical institutions in New Delhi; and later a full time Consultant of AICTE, New Delhi. Everywhere Prof. Sinha dedicated him to the noble cause of education. With grace and humanitarian values Prof. Sinha finally reached to the peak of his career as the Chairman of Lingaya's Group, set up by him in memory of his father, the great freedom fighter Shri Lingaya Gadde. His expertise in technical education, skills in managing human resources, exposure and insight into curriculum review and efficiency in training and placement enabled him to make Lingaya's Institute of Management and Technology (LIMAT) the most preferred educational institution for the aspiring professionals in Delhi NCR. LIMAT was the living legend of Prof. Sinha's noble goal and vision in the field of higher Education. In recognition of excellent achievements in the field of Technical Education, LIMAT was upgraded to Lingaya's Vidyapeeth with approval from the MHRD, Govt of India, under Section 3 of UGC Act, 1956.

Prof. Sinha left us for his heavenly abode on 6 June, 2011. Nonetheless, his vision inspires all of us even today and has made him immortal. May the departed soul rest in peace, Let us pay tribute to Prof. Sinha with a pledge to uphold and keep up his spirit and vision on Education.

“Par Excellence with Human Touch”

"Vision without mission is a daydream"

VISION

- ☛ To commit to excellence in thought and action;
- ☛ To impart knowledge and skills and to mould the attitude required for careers in Technical and Management fields by careful guidance and instruction for self learning in both formal and informal modes;
- ☛ To dedicate oneself to improve the social and economic status and enhance the quality of life for all;
- ☛ To strive to maximize human welfare through education and produce effective knowledgeable staff, practitioners and educators who will be guided by vision, compassion, knowledge, disciplined discovery and deep respect for human values;
- ☛ To provide professional learning to each student;
- ☛ To develop critical thinking, analytical ability and creative skills;
- ☛ To supplement the curricula with teamwork, leadership, persuasive oral and writing skills, project management, financial aspects, social concerns and ethics;
- ☛ To establish Industry-University interaction for technology, research and development.

Traditionally believing that God is the source of all truth¹, goodness² and beauty³, Lingaya's University seeks to develop in students a wisdom that translates academic achievements into responsible citizenship, sincere professional service, and a deep respect for life and beauty in God's Creation and Recreation⁴.

(Concepts: Truth¹: Knowledge; Goodness²: Felt and perceived in mind and practised/ experienced in life; Beauty³: Perceived in thoughts and vision; God's Creation and Recreation⁴: Creation in Nature and individual efforts)development.

" Mission without vision is a nightmare."

About **LINGAYA'S VIDYAPEETH**

*L*ingaya's Vidyapeeth is guided by the noble patriotic thoughts of the great freedom fighter (Late) Shri Lingaya Gadde and also by the academic vision of Late Prof. G.V.K. Sinha, the founder of various Institutions of the Lingaya's Group. Lingaya's Institute of Management and Technology (LIMAT), an Engineering Institute, was established in 1998 with approval from All India Council for Technical Education (AICTE), a Statutory Body of the Ministry of Human Resource Development (MHRD), Govt. of India. The Institute received the prestigious Accreditation Status from National Board of Accreditation (NBA), a unit of All India Council for Technical Education (AICTE). Such Accreditation is awarded only to select Institutions based on Academic Audit of quality. In recognition of its excellent performance, LIMAT was upgraded to Lingaya's Vidyapeeth with the approval of MHRD, Govt of India, under Section 3 of UGC Act 1956. Lingaya's Vidyapeeth has been accredited by NAAC. Its singular objective and mission is to facilitate and promote studies and research with a focus on Professional Higher Education in Engineering, Technology, Architecture, Management, Law, Pharmacy, Computer Applications, Sciences, Humanities and Social Sciences, Medical, Paramedical Sciences, Education, Mass Communication, Agriculture and other emerging areas to achieve excellence and also to meet the emerging Global and Industrial needs of Society and the Nation.

Lingaya's Vidyapeeth is located within the National Capital Region (NCR) Delhi. It has a sprawling campus situated in the green pastures and pollution free sylvan surroundings. The Vidyapeeth is equipped with Academic blocks, Air-conditioned Library, Workshops, Laboratories, Auditorium, Student Activity Centre, Play Grounds, Gymnasium, Hostels and other amenities along with ATM, canteen and 24*7 medical facility. The campus has a total built up area of over 1.2 million square feet.

With an ideal student faculty ratio, the Vidyapeeth strives for academic excellence through personalized attention. A unique mechanism is established to support and monitor the progress of students and assure success and satisfaction. The Vidyapeeth moulds its students in such a way that their endeavors and interests transcend limited boundaries. We ensure that they do not seek to maintain status quo nor settle for observing change; they rather become powerful instruments of change using their dynamic verve to contribute to the world around

INTERNATIONAL ACADEMIC COLLABORATIONS & AWARDS

EduSkills

THOMAS
MORE | University of Applied Sciences

Webster
UNIVERSITY

Lingaya's Vidyapeeth has signed several international and national institutes that focuses on student/faculty exchange and better experiential learning.

Just to name a few:-

Memorandum of Understanding (MOU) signed with City of Glasgow College wherein there would be exchange of credits of new programmes & courses.

collaboration with Kensley College & Lingaya's Vidyapeeth to start new programmes & courses. including Visits by faculty, students and researchers to each other's organization, for initiating and implementing joint projects on mutually agreed terms.

Lingaya's Vidyapeeth has also signed a Memorandum of Understanding with EduSkills that offers digital content and courses of eight global academic programs to our student. It is also committed to offering talent connect programs and internship programs for students.

The following activities, in particular would be encouraged to promote international academic cooperation:

Exchange of materials in education and research, publications, and academic information.

Exchange of faculty and research scholars.

Student exchange.

Joint research and meetings for education and research.

Creation/marketing of electronic instruction media, including credit and non-credit courses.

Technical assistance.

Lingaya's Vidyapeeth in collaboration with various International Universities Twinning Programs gives its students the benefit of obtaining an International degree with enhanced confidence and quality. The programs offered under the "Twinning Program" scheme, enable the students to complete half of the residency program at Lingaya's Vidyapeeth (India) and the remaining half in other partner universities. (Abroad)

In its endeavor to provide global exposure to its students, Lingaya's Vidyapeeth has signed Memorandum of Understanding with the Webster University (Bangkok), Graduate Institute of Science and Management (Srilanka), Veronezh State Technical University (Russia) and Escuela Superior DC (Spain).

RESEARCH, DEVELOPMENT & INNOVATION

Lingaya's Vidyapeeth follows a pragmatic and focussed approach regarding Research, Development and Innovation.

The world is currently in the midst of knowledge economy. Today, knowledge is of primary importance in contrast to natural resources, physical, capital and labour force in creating tangible and intangible value to the society.

Knowledge workers require non-routine problem solving approach with a combination of convergent, divergent and creative thinking. Knowledge workers with their education and background earn their living by thinking and exploring new ideas.

In knowledge economy, Research, Development and Innovation (RD&I) are very important components in creating intellectual wealth that will ensure high growth. This is more so in the present day environment where new and innovative products and solutions are introduced in the market every day replacing the earlier products quickly - one striking example being the use of the mobile phones. In order to succeed, the major requirement is of knowledge - workers with innovative skills and a conducive environment when they can work for better productivity. It is our role and responsibility to appropriately impart skills with high knowledge component and innovative skills to meet and overcome challenges of knowledge economy.

R&D and Innovation Cell

To provide adequate attention to R&D and Innovation, the R&D and Innovation Cell has been established by the Lingaya's Vidyapeeth. The Cell is involved in identifying various components regarding implementation of plans including:

1) faculty and student Ph.D enrolments 2) taking up R&D and innovation projects with problem solving approach for both local and global problems and issues and guiding the faculty in preparation of the project proposal 3) participation of both graduate and post - graduate students in the R&D activities, 4) orienting the course curricula with the R&D experience, 5) collaboration with industry 6) Collaboration with other universities and institutions, 7) multi disciplinary research, 8) publications and patents/copyrights, 9) entrepreneurship development and incubation, 10) organizing and participating in workshops & conferences, 11) organizing expert lectures etc The Vidyapeeth has constituted the following bodies:

1. Board of Research, Innovation, Consultancy and Entrepreneurship (RICE).

The functions of the Board are as follows:

- To promote the RICE activities involving students, faculties and industries;
- To bring the culture of research and innovation in students right from undergraduates to Ph.D and the faculty as well;
- To identify and recommend thrust areas of research and innovation;

- To develop policies and procedures for Research, Innovation, Consultancy and Entrepreneurship such as:
 - Development of Research proposals
 - Development of Innovation Hubs/Clubs
 - Recommendation for Consultancy activities
 - Development/Recommendation for Entrepreneurship policy and activities, and
 - IPR /Patents-promotions; and
- To Develop and Recommend awards/ Rewards mechanism for various achievements in Research, Innovation, Consultancy and Entrepreneurship.

2. Lingaya's Centre for Incubation and Entrepreneurship (LCIE):

The functions of LCIE are as follows:

- To enhance the culture of Creativity, Innovation & Entrepreneurship amongst Lingaya's fraternity;
- To provide necessary support by way of infrastructure, resources, capital in the form of soft loan/equity, capital and necessary access to knowledge usage;
- To be in consonance with the concept of "Make in India" by creating commercially viable value added products, processes and services; and
- To provide needed support to cover the complete spectrum of activities from creative ideas for development of products, services or processes and enabling / supportive creation of successful enterprises.

3. Companies or Firms, whose shareholders/ partners or proprietor(s) are from the following categories of persons, are eligible for admission to LCIE:

- Students and Alumni of Lingaya's Group of Institutions (LGIs);

- The faculty members of LGI including ex faculty members (as per rules of LGIs);
 - Individuals partnering with faculty members/ students or alumni of LGIs;
 - R&D partners of LGIs (Sponsors of R&D and consultancy projects); and
 - Government Agencies associated with research & innovations of LGIs.
- Each school / department has its Research Advisory Committee that has members from other premier institution & the function of RAC would be to brainstorm and identify areas and projects for research in the Schools / Departments of the Vidyapeeth.
 - It is strengthened with the participation of external experts from both academic & industry and from premier institution like NIT, IITM Central Universities etc. The function of Research Policy and Advisory Committee would be:
 - to advise, review and strengthen the work of Ph.D scholar, and
 - to enhance the relevance and quality of Ph.D work taken up by Ph.D student of the Vidyapeeth.

In addition, the Vidyapeeth has carried out the following:

- Consultancy policy has been reviewed and enhanced to facilitate the faculty to take up industrial and other consultancy activities.
- The Vidyapeeth faculty and students have undertaken consultancy projects in area including Computational Fluid Dynamics, Image Processing & Pattern Recognition etc.
- Ph.D regulations have been reviewed and revised in accordance with the UGC norms and guidelines.
- Activities on student innovation have been enhanced with minor and major projects from third Semester onwards. Workshops and competitions on innovations have been formulated for identification of the procedures for execution and monitoring of the projects.

Research Areas

The R & D and Innovation cell helps faculty and students to pursue their interest in basic and applied research in Engineering and Technology, Management, Architecture, Humanities & Social Sciences etc. Some of the areas of research & Development and Innovation of the Vidyapeeth are:

- Art & Design
- Artificial Intelligence
- Automobile Emission Control
- Big Data Analysis and Data Mining
- Climate Resilient Infrastructure
- Cloud Computing
- Complex Functions and Applications
- Computational Fluid Dynamics
- Condensed Matter Physics
- Digital Signal Processing
- Embedded Systems
- Energy Research
- English Language and Literature
- English Literature and Social Growth
- Behaviours studies & Human Psychology

- Enhancement of English Learning in Rural Schools
- E-Security / Cyber Security
- Human – Computer Interface
- ICT in Agriculture
- Image Processing
- Industrial Waste Treatment
- Integrated Villages in Urban Setting
- Internet of Things
- Material Research
- Micro Strip Antennas
- Organic Polymers and Composite Polymers
- Retailing and Digital Management
- Risk Analysis and Portfolio Management
- Seismic Analysis of Structures
- Structural Engineering
- Sustainable Housing
- Traffic Management
- VLSI
- Water Purification

Ph.D Program

In the Doctoral program of the Vidyapeeth enrolment is done on regular and full time basis. The Vidyapeeth has so far awarded 72 Ph.Ds and 196 students have been enrolled for Ph.D in various disciplines like Business Administration, Computer Sc. Engg, Computer Application, Electronic comm. Engg., Civil Engg., Architecture, English, Information Technology, Education, Mathematics, Electrical and Electronics Engg., Physics, Mechanical Engg. and Clinical Research.

The Vidyapeeth encourages its entire non-Ph.D faculty to register for Ph.D. as soon as they join as faculty at the Vidyapeeth and currently about 25 faculty members have registered for Ph.D.

Interdisciplinary Research

Lingaya's Vidyapeeth has a number of Schools and various engineering and other programs that are currently being run with good opportunities for interdisciplinary research which is essential in this era of convergence of technologies and evolution of new areas for developing professional and practical R&D outputs. R&D Cell is striving to provide a platform for interdisciplinary research activities, in order to promote innovation, creativity and knowledge expansion.

Students Innovations

The innovative projects motivate the students to understand, apply and appreciate the same. They also impart new confidence and professionalism in students. Every department is building up innovation labs with suitable facilities where students in teams can work and develop innovative ideas, technologies and products.

Student Innovation Achievements

- The Team titled "Ballistic" from Lingaya's Vidyapeeth won first position in the Robo War in the "Robo War and Robo Space" competition held in Chandigarh in October 2015
- In SAE, Baja event team reached to the finals for three consecutive years in tough competitions where over 350 reputed institutions participated. In 2012 the team won the first prize of maneuverability event and in the year 2014 it bagged third prize. In this category we used innovation of 4-wheel steer in All-terrain Vehicle to reduce turning radius. Also, catalytic convertor was developed to reduce emissions remarkably, at low cost as "Go green project" of SAE-Baja.
- The Under graduate students have participated very actively and enthusiastically in the special event titled "Innovation Contribution of youth towards Globalization" in April 2015 organized by the Vidyapeeth. The students developed many innovative ideas in the area of "Future of landslide early detection system", "wiTricity: an emerging Revolution" for producing wireless electricity, "Energy Efficiency an Urgent Inevitability" etc.

Industry & Academia Collaboration

Lingaya's Vidyapeeth is committed to bridge the gap between academia and industry. The Vidyapeeth constituted an University Industry Interaction Cell (UICC) which helps the students and faculty members getting acquainted with the industrial working and environment.

The cell provides time bound solution to the problems / improvements / up-gradation / methodology / optimization solution to the industry.

The present Industry association includes

- Campus connect partner of Infosys
- TCS Accreditation
- IBM Centre of Excellence
- Wipro MISSION 10x
- Campus Agreement with Microsoft

Patents and Copyrights

It is a policy of Lingaya's Vidyapeeth to continuously encourage its employees for getting their research work recognized through publications, copyrights and patents. Several Patents have been filed in the area of electronics, computer science, urban development, robotics, chemistry, automobiles etc. Some of the patents filed are:

- Design of Low Cost EEG Based Brain Computer Interface.
- Saksham Catalytic Converter
- Architecture and Design of a Novel Tool for Effective Knowledge representation.

More patents are in pipeline in the areas of Antenna Design, Bio-informatics, Medical Imaging, Medical Instrumentation, Virtual Instrumentation etc.

COMPUTING FACILITY

Lingaya's Vidyapeeth has the finest computer lab facility, which provides a work-oriented open environment that meets industry standards. The entire campus area is connected with an excellent Wi-Fi and ethernet connection with 24x7 access and IT support.

It has advanced IT facilities with adequate systems loaded with licensed Operating Systems (including Windows-10 & Windows 7), Open source OS (Ubuntu and other Linux distros) and Software Packages. The network infrastructure comprised of HP/Dell Servers, CISCO / Linksys / D-link / TP-link switches and routers. The power infrastructure is supported with heavy duty UPS for all systems to avoid data loss. Lingaya's Vidyapeeth is equipped with the latest multimedia facilities, like interactive smart boards, multimedia LCD projectors, overhead projectors, scanners, laser printers, digital cameras etc. The computer labs are equipped with i7/i5/i3/iMac computers with the latest softwares.

For better integration within the institute, we have implemented cloud-based ERP software that covers various functionality of the Institute like LMS module, OBE/COE module, Students Module, Inventory Module, Library Module, HR Module & Payroll Systems etc.

Lingaya's Vidyapeeth has academic alliance agreement with IT companies like Eduskills for certifications in emerging technologies, Microsoft to access all the latest operating systems and application software like Windows and Microsoft Office upgrades; Microsoft Team for online and blended mode of teaching and learning, Core CAL Suite that includes Windows Server, Microsoft Share Point Server Standard CAL, Office Pro Plus, Visual Studio, Microsoft Essential (Antivirus). Lingaya's Vidyapeeth has Autodesk Education access to licensed Autodesk Products. Additional latest softwares include Orell Language Lab, Mathworks MATLAB, & CorelDraw and other licensed and open source softwares. A Google workspace account is issued to every student and staff for email and cloud storage solutions with high speed internet connectivity through 1GBPS RF link. This facility is backed by 100 KVA online UPS systems.

CENTRAL LIBRARY

The Central Library at Lingaya's vidyapeeth is the nerve center of the entire campus catering to the need of the staff and students in adequate measure. The library contributes to the Universities mission of becoming world class university. It has a rich collection of around 94, 654 books on various disciplines. The Library subscribes to over 55 print journals and magazines (National and International).

The Library also subscribes to online journals/databases like. IEEE, DELNET, British Council, National Digital Library etc. providing access to over 17 lac documents to all the schools of engineering the Library also has membership of NISCAIR which allows access to resource sharing facilities through on line as well as hardcopy of the same. The Library has been provided with OPAC (On-Line public access catalogue) facility which provides information about the library reading material. Digital Library have a many computer is use for searching e-book, E-journal, E-database etc.

Constant addition of titles and volumes in all the fields of Engineering, Architecture, Pharmacy, Law, Management, Applied Science, Agriculture and Humanities is a regular feature. The Multi-media section is equipped with state-of-the-art computer system, DVD, Wifi, Students Project Report, Thesis and over 1800 educational and information CDs. The Library has reprographic facilities and attracts an average of over 500 students per day to use the facility. The entire library is automated to make searching, issuing and returning of books, easier. The Library is kept open from 9.00 Am to 4.30. Besides the central Library, Each school has its library with related Books and Journals.

ACADEMIC PROGRAMS & ELIGIBILITY

SCHOOL OF ENGINEERING AND TECHNOLOGY

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Technology (All Branches) Computer Science Engg. (CSE) Electronics & Comm. Engg. (ECE) Mechanical Engineering (ME) Mechanical & Automobile Engg. (MAE) Civil Engineering (CE)	600	4 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 Exam from a recognised board Physics, Mathematics and either Chemistry or Computer science subjects (PCM) combined
Bachelor of Technology LEET (All Branches)	60	3 Yrs.	* 10 + 3 Diploma with atleast 50% marks from a recognised board in the respective fields of Engineering & Technology. *BCA/B.Sc(CS) is eligible for B.Tech (CSE) *B.Sc with Mathematics as one of the subjects for admission in any stream.

SCHOOL OF COMPUTER SCIENCE & INFORMATION TECHNOLOGY

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelors of Science (B.Sc) Computer Science (AI/Block Chain/Data Science)	90	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent from a recognised board in 10+2 Exam with Mathematics or Statistics or Economics as one of the subjects.
Bachelors of Computer Application. (BCA)	30	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 Exam with mathematics or statistics or economics as one of the subjects.
Master of Computer Application MCA	30	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in BCA with English as one of the subjects at 10+2 or higher level from a recognised board

SCHOOL OF PHARMACEUTICAL SCIENCES

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Diploma in Pharmacy (D.Pharm)	60	2 Yrs.	Candidates should have passed 10+2 Exam with a minimum of 50% marks or equivalent from recognised board with Physics, Chemistry and English with Mathematics or Biology or Biotechnology or Computer Science as optional Subjects.
Bachelor of Pharmacy (B.Pharm)	100	4 Yrs.	Candidates should have passed 10+ 2 Exam with a minimum of 50% marks or equivalent with Physics, Chemistry, and English and Mathematics or Biology or Biotechnology or Computer Science as optional Subject from a recognised board.
Bachelor-Lateral in Pharmacy	6	3 Yrs.	Candidates should have passed Diploma in Pharmacy with a minimum of 50% marks or equivalent from recognised board.

SCHOOL OF EDUCATION

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Education (B.Ed)	100	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in Under Graduate degree from a recognised board.
Master of Education (M.Ed)	50	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in B.Ed or any other degree as per NCTE Norms

SCHOOL OF ARCHITECTURE & PLANNING

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Architecture (B.Arch.)	20	5 Yrs.	*Candidates should have passed in with a minimum of 50% marks or equivalent in 10+2 Exam with PCM. *Candidate should have passed with a minimum of 50% marks in polytechnic diploma (Architecture Assistantship) and pass in NATA or JEE paper 2 Exam
Master of Planning (M.Plan)	20	2 Yrs.	Candidates should have passed B.Arch/B.E in Civil/ B.Planning/M.A in Sociology/ Geography/ Economics with a minimum of 50% marks from a recognised board.

SCHOOL OF LAW

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Legislative Law (LL.B)	60	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in Bachelor's degree from a recognised board.
BA LL.B BBA LL.B	60+60	5 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Master of Legislative Law (LL.M)	60	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in LLB

SCHOOL OF BASIC & APPLIED SCIENCE

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Science (B.Sc) (Physics, Chemistry & Mathematics Hons.)	30, 30, 30	3 Yrs.	Candidates should have passed 10+2 with a minimum of 50% marks or equivalent with Mathematics and relevant subjects from a recognised board.
Master of Science (M.Sc) (Physics, Chemistry & Mathematics)	12, 12, 12	2 Yrs.	Candidates should have passed Under Graduate degree (B.Sc) with a minimum of 50% marks relevant subjects from a recognised board.

SCHOOL OF DESIGN

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Design (B.Des) (Graphic Design, Animation & Multimedia Interior Design & Construction, Fashion Design)	80	4 Yrs.	Candidates should have passed 10+2 from a recognized board with 50% marks from any stream.
Master of Studies in Design (M.Des) (Graphic Design, Animation & Multimedia Interior Design & Construction, Fashion Design)	40	4 Yrs.	Bachelor's degree with 50% marks in any stream from recognized university.

SCHOOL OF COMMERCE & MANAGEMENT

NAME OF THE PROGRAM	Sanction Intake	Duration	Eligibility
Bachelor of Business Administration (BBA)	120	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Master of Business Administration (MBA)	120	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in Under Graduate degree from a recognised board.
MBA Integraed (BBA-MBA)	60	4.5 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
MBA (Foreign Students)		2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in Under Graduate degree with English as one of the subjects at 10+2 or higher level from a recognised board.
Bachelor of Commerce (Hons.)	60	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Master of Commerce (M.Com)	20	2 Yrs.	Candidates should have passed with a minimum of 50% Marks in Under Graduate degree from a recognised board.

SCHOOL OF HUMANITIES & SOCIAL SCIENCES

NAME OF THE PROGRAM		Duration	Eligibility
Bachelor of Arts English (B.A.) (Hons.)	30	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Master of Arts English (M.A.)	20	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in Under Graduate degree in English as one of the subjects.
Bachelor of Arts Psychology (Hons.)	30	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Bachelor of Arts Economics (Hons.)	30	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Bachelor of Journalism & Mass Comm. (BJMC)	60	3 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognised board.
Master of Journalism and Mass Comm. (MJMC)	18	2 Yrs.	Candidates should have passed with a minimum of 50% marks or equivalent in BJMC or equivalent in Under Graduate degree.
PG Diploma in Guidance Counselling	30	1 Yrs.	Candidates should have passed with a minimum of 50% marks from a recognised board.

SCHOOL OF AGRICULTURE

CENTRE FOR CAREER COUNSELING, PLACEMENT & GUIDANCE

Counseling, career guidance and placement activities are not only the USP but also the crowning glory of Lingaya's Vidyapeeth. Recognizing the complexity of the career-planning process and the myriad of options available to students, the centre conducts professional development programs to enable them to pursue their desired career path to achieve their goals.

Awareness is generated about the industry and career among the students by organizing industrial visits, informal and formal discussions, workshop, guest lectures, summer / winter training and 6 month internships.

Professional Development Programs help in:

- i) Developing verbal and non-verbal communication;
- ii) Enhancing public speaking skills;
- iii) Imparting personality development through in-house and external expert faculty;
- iv) Providing career guidance;
- v) Holistic development of students
- vi) Administering aptitude and psychometric tests;
- vii) Conducting group discussions and mock interview practice sessions;
- viii) Organizing entrepreneurship promotion programs;
- ix) Arranging for GRE, GAT, CAT & GATE in a simulated environment; and
- x) Bridging the gap between academia and industry through various technical bridge courses that are organised frequently.

Six Months Internship / On The Job Training

The Vidyapeeth has a unique feature of Six month Industry Internship for final year B.Tech students in the last semester. The Centre identifies the relevant industries for the internship, places the students and chalks out a comprehensive plan to monitor and continuously evaluate the progress of each student. The student work with both the faculty members and the industry personnel with whom they are attached. This arrangement helps a large number of students to secure final placement during internship itself.

Corporate Tie-Ups

Lingaya's Vidyapeeth has a well-defined paradigm for placements that guides the career - dreams of its students into well-deserved career slots in the industry.

We strive to provide 100% placement assistance to all our students. The placement committee coordinates and liaisons between the employers and the students, to collaborate with each other's requirements from day one. For this, a separate team under IIDC (Industry Interaction Development Centre) is working to achieve student's professional goals.

Incubation Centre for Entrepreneurs

Lingaya's Vidyapeeth has set up a Virtual Incubation Centre in association with the Institute for Industrial Development for all those students who are looking for career opportunities as an entrepreneur. This Industry- academic partnership will help students in enrolling themselves for Entrepreneurship Development Program offered by the IID in collaboration with the Ministry of MSME, Govt. of India.
