SCHOOL OF PHARMACEUTICAL SCIENCES

School of Pharmaceutical Sciences is one of the most prestigious departments of Lingaya's Vidyapeeth, which constantly encourages students to explore their own intrinsic qualities and enhance their talent through quality teaching and research. The school has well equipped laboratories for B. Pharmacy, M. Pharmacy and Ph.D. students.

School of Pharmaceutical Sciences

About us:

- Established in the year 2015 with the vision of developing globally competent professionals in the field of Pharmaceutical Sciences.
- Affiliated to Pharmacy council of India New Delhi.
- Focus on class-room teaching and hands-on-training simultaneously.
- Free in-person and online seminars throughout the year, comprising our own experts who present the latest information on a variety of health topics. Seminars are interactive and followed by a Q&A session with the presenter.
- Prepare our students to work effectively and think critically.
- Producing highly trained, compassionate, intellectually curious adaptive leaders capable of meeting the healthcare needs of the future through a performance-based education.
- Empowering scholars to teach, research, innovate, serve and practice collaboratively in areas of skill and expertise in pharmacy related disciplines.
- Our students would be able to make career in Pharmaceutical Manufacturing, Research & Development etc.
- We offer opportunity and resources to explore and pursue courageous discoveries that matter for our students, faculty, staff, patients, and community.

Programs Offered

- Diploma in Pharmacy - 2 Years
- Bachelor of Pharmacy - 4 Years
- Bachelor of Pharmacy (Lateral Entry) - 3 Years
- M.Pharm in Pharmaceutics - 2 Years
- M.Pharm in Industrial Pharmacy - 2 Years
- Ph.D in Pharmacy (As per UGC norms)

Faculty

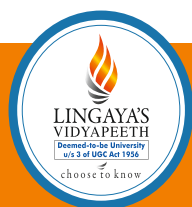

- Highly qualified and experienced faculty having very wide experience.
- Faculty members train the students with experimental tools and machinery.

USPs of Pharmaceutical Science:

- World Class Infrastructure as per PCI Norms.
- Highly Experienced & Recognized Faculty.
- Seminars & Workshops.
- Tie Up with Industries & Hospital.
- Regular faculty Development Program.
- Students are encouraged to develop their research and practical abilities.
- Industrial Exposure through Industrial/Expo Visits.

Mission:

- To improve the health of people everywhere through leading therapeutics-related research, education, and professional service.
