MUSIC ART DANCE AND DANCE

The Music, Arts and Dance Committee, popularly known as 'MAD' is one of the best committees at Lingaya's Vidyapeeth.

Unlike other

MAD committees, attempts to provide an outlet for the creative interests of the students. It endeavours to facilitate the cultural and creative streaks of the students through Zest. The committee aims at providing a platform to students where they can exhibit their talent. In an effort to keep the festive environment alive in the Vidyapeeth, preparations for Zest are in full swing. MAD committee plays a major role in the organisation of 'Zest'. The fest sees participation from colleges across the country in all events including choreography, theatre, music and fine arts. The performing arts range from vocal and instrumental music, dance and theatre to pantomime, sung verse and beyond. They include numerous cultural expressions that reflect human creativity. Music is perhaps the most universal of the performing arts. It can be found in the most diverse contexts: sacred or profane, classical or popular, closely connected to work and entertainment. Keeping this in mind we have organized events like Hindi Duet, Hindi group song and Hindi solo.

Dance, though very complex, may be described

simply as ordered bodily movements, usually performed to music. To set up the fervour of Zest

-Goonj we have organized

activities like Solo

Dance, Duet

Dance, Nach

le and

Razmadaz.

From folk

dance to

western,

we hope

to make

Lingaya's come

alive with the rhythm of dance.

Theatre performances combine acting, singing, dance and music. These arts, however, are more than simply 'performances' for an audience; they play crucial roles in culture and society.

The instruments, objects, artefacts and spaces associated with cultural expressions and practices are all included in our committee. In the performing arts this includes musical instruments, masks, costumes and other body decorations used in dance. Nukkad Natak, Stage play and Monologue will bring out the performer inside of students.

We at Lingaya's Vidyapeeth believe that music, art and drama are the key features of cultural promotion. Our committee plans to showcase the cultural diversity of our country. Together we plan to put up a performance that will be unforgettable.

So get ready to sway and dive into the world of music arts and drama.

Fashion Show

A fashion show is an event put on by Lingaya's Vidyapeeth to showcase the talent of students. Looking back to the most spectacular fashion shows of Lingaya's you'll see that those with the most lasting impact are often the ones in service of a greater message. The show is a huge part of how we communicate. This event showcases the talent of participating students.

an amazing event. The world of glamour is an enticing one and we beckon all to see our thunderous performance. - Prince

What is the purpose of

Fashion?

The fashion show at Zest is a chance for students to show off theme based aesthetics. As a result, it is an event that is more conceptual aesthetically. We all love fashion. India is influenced by fashion trends and we have many international Beauty Queens. Glamorous ramps are organized in colleges and corporates to encourage people to follow fashion trends. Among college students, being fashionable is important. However, fashion is not just about showing glamour. Fashion and clothing are a reflection of the society that we live in.

As part of the Fashion Show Committee, we request that each participant helps us make this a wonderful event. To make the Zest 23k Fashion Show a success, we are committed to showcase the best in us. Rehearsals for the final show are already in place. This is a collaborative effort and we will not be successful without everyone's help. As active members of the Fashion Show committee, we need the participation of everyone. Many special friendships have been created from working on the Fashion Show Committee and we look forward to present a n

CONTROLS

Dear friends, we have been entrusted with the responsibility of organizing Zest- Goonj. The organising committee has three main functions. The first is to assist and advise the event coordinators. Planning is generally better when ideas and issues are discussed in a small group environment. There is less chance of something being forgotten or overlooked when a group makes a decision rather than a single individual. The second is the Executive Function. The organising committee can assist in the process of managing the myriad of tasks that need to be done. Committee members, having a good knowledge of the event management plan, are well placed to provide training, supervision and assistance to other students involved in the organisation of the event. Last but not the least is the Worker Function. We are the backbone of Zest -Goonj. We are coordinating all the twenty committees that have been set for the occasion. At this highest level of Zest-Goonj all parties need to 'pull in the same direction' to make this event a memorable one. – Devagya and Tanuj (Heads)

Hospitality

Atithi Devo Bhava!

Hospitality is an integral aspect of improving the quality of event' reception. The two main objectives of improving the spectators' experience is to encourage the spectator to:

1. Return to event on a frequent basis
2. Promote the event by word of mouth in the community

Hospitality is often a term synonymous with food and beverages. Our team will take care of the guests right from the inception of Zest to the closing ceremony. We will be preparing the reception area for the dignitaries. We will ensure

that the rooms allocated for Zest are in good condition and that the transport facilities are in order. As hosts we will see to it that all our guests and participants are well looked after. We hope to make this event a grand success.- Vishal Dixit

Informalz

(Head Hospitality)

Zest 2023 – Goonj made me believe in myself and taught me the importance of teamwork. I have learnt about courage, friendship, resilience, commitment, and selflessness. However, one that remained constant is my love and passion for doing better for myself and my team. Working in a supportive environment with different committees is engaging. Zest teaches us many things, shapes us into better people, and gifts us with many memories. "I'll be proud to be associated with Lingaya's forever."

Being a member of the Informalz team is itself a very challenging task but with one's creativity and excellent time management in the end it's worth all the effort. As the saying goes " With great power comes great responsibility." I have learned ways to cope with the obstacles in creative ways. We will rock the event with Scavenger hunt, DEE-War and many such activities.- Lokesh (Head-Informalz)
