

DECLARATION  
**CERTIFICATE**

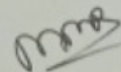

This is to certify that the project report entitled “ Review on Fibre Reinforced Concrete” being submitted by **ABHINANDAN TYAGI(18CE21L)** for the partial fulfillment of the award of the degree of **Bachelor of technology in Civil Engineering** by Lingaya’s Vidyapeeth, Faridabad is a record of a bonafide work carried out by him under my supervision during the year 2022. The content of this report have not been submitted to any other universities of institute for the award of any degree or diploma

**SIGNATURE**

**Mr. Chitranjan Kumar**  
**Assistant Professor**  
**Department of Civil Engineering**  
**Faculty of Engineering & Technology**

**SIGNATURE**

**Dr. Maniraj M.**  
**Head of Department**  
**Department of Civil Engineering**  
**Lingaya’s Vidyapeeth**

## DECLARATION

I, **Abhinandan Tyagi 18CE21L** the student of Bachelor of Technology in Civil Engineering during session 2018-2022 at Lingaya's Vidyapeeth, Faridabad, Haryana, hereby declare that the work presented in this report entitled "**Review on Fibre Reinforced Concrete**" is the outcome of our own bonafide work and is correct to the best of my knowledge and this work has been undertaken taking care of Engineering Ethics.

It contains no material previously published without referring or written by another person nor material which has been accepted for the award of any other degree or diploma of the university or other institute of higher learning, except where due acknowledgment has been made in the text.

*Abhinandan.*

## ACKNOWLEDGEMENT

I would like to thank my guide, **Mr. Chitranjan Kumar, Assistant Professor** for his very valuable guidance, his support and his critical suggestions throughout the completion of our project. It was a privilege to study under his supervision. His vision and broad knowledge played an important role in the project work. I also like to thank him for pushing me to the stage that I thought I could never accomplish.

Allow me to express my sincere gratitude to our **Head of Department**, for his tremendous and selfless support in design of the project and time management skills while fabricating the product. It is my great honor to have had the opportunity to work with these great minds and their remarkable character. Their spirit of enthusiasm and commitment even in the times when we students found it hard to do is commendable.

Last but clearly not the least, I would thank The Almighty for giving me strength to complete my report on time.

*Ashwin Kumar*

What is Fiber Reinforced Concrete

18

Types of Fibers used in FRC

18

Why Fibers are used in Concrete

19

Key Benefits of using FRC

20-21

Factors affecting the properties of FRC

22-23

Advantages of using Fibers as Reinforcement  
in concrete

24

Disadvantages of using Fibers as  
Reinforcement in concrete

25

Application of FRC

26

Conclusion
