Message from HOD

We, at the Department of Computer Science & Engineering, are dedicated to ensuring great careers for our students. We have managed to produce hundreds of professionals & established a name in India & abroad. Our experienced teaching faculties & excellent infrastructure work towards providing our students with the best quality education. We encourage active interaction among students, parents, staff, and T&P Cell ensuring a brighter tomorrow for our students. Innovation in research is important to us. Even since the inception of the department, we have developed a distinct style & method that bridges the theory-practice divide while remaining grounded in the core. And we aim at the continued development of the curriculum for better results.
