

# LINGAYA'S VIDYAPEETH

(Deemed-To-Be University u/s 3 of UGC Act 1956)

## SCHOOL OF EDUCATION

### About us

Education plays a vital role in human development and progress, equipping individuals with the necessary skills, knowledge, and values to positively contribute to society. As Nelson Mandela aptly stated, "Education is the most powerful weapon which you can use to change the world." In today's society, teachers are key to shaping future generations, and it's essential that they are trained to be intellectually, socially, morally, and technically competent. Lingaya's Vidyapeeth's School of Education (SOE) offers high-quality education & hands-on experiences in state-of-the-art facilities, including labs for art, psychology, science, computers, & smart classrooms. Their curriculum provides a comprehensive teacher training approach, blending classroom instruction, workshops, seminars, and internships in public schools. This prepares students for real-world challenges in teaching, making SOE one of the top B.Ed. colleges in Delhi NCR.

The School of Education aims to foster creativity and critical thinking in aspiring teachers, encouraging them to actively contribute to societal transformation. With a commitment to producing skilled, passionate educators, SOE offers a strong platform for those eager to make a significant impact in the world of education.

### Vision

Vision of School of Education is to be a school committed to develop globally competent teachers in the field of Education who creates responsible citizens, develop healthy society and construct ideal nation.

### Mission

- To develop human potential to its fullest extent so that intellectually capable and imaginatively gifted teachers can emerge who have deep respect for human life and values.
- To develop critical thinking, analytical ability and creative skills in its students.
- To supplement the curricula with teamwork, leadership, persuasive, oral and written skills, project management, financial aspects, social concerns and ethics.
- To impart knowledge and skills and to mould attitude required for careers in education.
- To undertake collaborative projects which offer opportunities for long term interaction with academia and various statutory bodies.
- To prepare students who are capable to take up their future educational and career potentialities.

### Key Highlights of the Program

- **Competitive Exam Preparation** – Get expert guidance and attend practice sessions for TGT, PGT, CTET, NET, JRF, and other exams.
- **Community Engagement & Leadership** – Participate in Scouts & Guides and National Service Scheme (NSS) activities to develop leadership and social responsibility.
- **Soft Skills & Communication Training** – Enhance your professional communication and interpersonal skills to build confidence for a successful career.
- **Rural Education & Development Initiatives** – Engage in village outreach programs to promote education and contribute to community development.
- **Hands-on Practical Learning** – Implement psychomotor skills to enhance experiential learning and real-world application.
- **Educational & Leadership Talks** – Stay updated with regular sessions on emerging educational trends & leadership strategies to expand your knowledge and professional growth.

## Curriculum

The School of Education offers a comprehensive curriculum that integrates theoretical knowledge with practical experiences, enhancing teaching efficiency. Aligned with NEP 2020, the program focuses on global competitiveness, academic excellence, and hands-on teaching skills.

Students benefit from value-added courses and MOOC opportunities for continuous professional growth, fostering critical problem-solving skills and a scientific mindset. The faculty prepares aspiring educators for primary, middle, secondary, and higher education, empowering them to drive transformation in schools and communities.

### *Stay ahead in the ever-evolving field of education!*

We are proud to announce that our B.Ed. (2023-2025) students from the School of Education, Lingaya's Vidyapeeth have successfully cracked the CTET Exam while pursuing their degree.

This achievement reflects their hard work, dedication, and the high-quality teacher training provided at Lingaya's Vidyapeeth. Our comprehensive curriculum, expert faculty, and structured guidance have played a crucial role in preparing them for competitive exams.

Congratulations to our future educators! Wishing them continued success in their teaching careers.

## Career Opportunities for B.Ed. Graduates

### Classroom Teacher

Teach in primary, secondary, or high schools across various subjects based on specialization.

### Subject Specialist Teacher

Focus on a specific subject like Math, Science, English, or Social Studies, ensuring in-depth expertise.

### Special Education Teacher

Work with students with special needs, using inclusive teaching methods to support diverse learning abilities.

### Govt. School Teacher

Secure a teaching position in government-run schools after qualifying for CTET, STET, or other competitive exams.

### School Counselor

Provide guidance, career counseling, and emotional support to students, helping them navigate academic and personal challenges.

**These roles offer rewarding opportunities to shape young minds and contribute to the education sector. Which career path interests you the most?**

## Career Paths with an M.Ed

### Educational Researcher

Conduct studies on teaching methods, curriculum effectiveness, and student learning to improve educational practices.

### Curriculum Developer

Design and revise educational materials and curricula to enhance learning experiences.

### Educational Administrator

Take on leadership roles such as Principal, Vice-Principal, or Department Head, managing school operations and policies.

### Educational Consultant

Advise schools, organizations, and policymakers on best educational practices, policies, and innovations.

### Teacher Trainer

Conduct professional development workshops to train and mentor teachers in modern teaching methodologies.

### Online Tutor

Leverage digital platforms to provide virtual instruction to students worldwide.

### Higher Education Instructor

Teach education-related subjects at colleges and universities, shaping the next generation of educators.

**An M.Ed. opens doors to diverse and impactful career opportunities in academia, administration, research, and educational leadership. Which path interests you the most?**

## HOD Message

The School of Education, Lingaya's Vidyapeeth, Faridabad, stands as a beacon for aspiring educators who prioritize values over material wealth and envision a prosperous future for young minds. True prosperity lies in knowledge, peace, and guidance, not mere property. A teacher plays a crucial role in shaping society, and School of Education is dedicated to nurturing efficient, dynamic, and innovative educators while preserving India's rich cultural ethos.

Aligned with the National Education Policy 2020 (NEP-2020), SoE aims to revitalize teacher education by 2030. Beyond undergraduate studies, SoE provides postgraduate and research opportunities to cultivate future education leaders, policymakers, curriculum designers, and content developers. The SoE emphasizes empirical, experimental, comparative, and historical research, ensuring meaningful contributions to education. With a vision of global educational excellence, SoE invites passionate individuals to collaborate, innovate, and contribute to a holistic, value-driven learning environment, embracing the philosophy of "वसुधैव कुटुम्बकम्" (The world is one family).

Wishing you success and looking forward to welcoming you to our campus!

## Programmes Offered

### Bachelor of Education (B.Ed.) 2 years

Programme of Teacher Education titled 'Bachelor of Education' (B.Ed.) degree programme. The programme will be of two-year duration organized in the semester pattern with 2 semesters in a year.
