Tribute

(1910-1962)

(Late) Shri Lingaya Gadde

Lingaya's Society (formerly Lingaya's Jankalyan Shikshan Sanstha) was established in the memory of freedom fighter, Late Shri Lingaya Gadde, who devoted his life to combating conventionalism, illiteracy, and poverty. An agriculturist, who participated in the 1923 Civil Disobedience and Quit India Movement, faced imprisonment multiple times, wrote on socio-communist issues, served as editor of *Navyuga*, organized the communist party, and founded Adarsha Grandha Mandali in Elamarru, Andhra Pradesh. Inspired by his ideals, the Lingaya's Society is committed to social development based on devotion, sacrifice, and progressive thought.

“ The best way to predict the future is to create itWhen a collection of brilliant minds, hearts and talents come together... expect a masterpiece.”

(1934-2011)

(Late) Prof. G.V.K. Sinha

Founder Chairman, Lingaya's Group

Prof. G.V.K. Sinha was a distinguished educationist and visionary leader in technical and management education. Beginning his career as a lecturer, he rose to serve as the Head of Department, Assistant Director, Principal at reputed institutions in New Delhi, and later as a full-time consultant with AICTE. Guided by strong humanitarian values, he went on to found and lead the Lingaya's Group as its Chairman, in memory of his father, freedom fighter Shri Lingaya Gadde.

Through his expertise in curriculum development, human resource management, and training and placement, he transformed Lingaya's Institute of Management and Technology into a leading institution in Delhi NCR. In recognition of its excellence, the institute was upgraded to Lingaya's Vidyapeeth under Section 3 of the UGC Act, 1956. Though Prof. Sinha passed away on 6th June 2011, his vision and legacy continues to inspire generations.

“Deemed-to-be University u/s 3 of UGC Act 1956”

CHANCELLOR'S MESSAGE

Dr. Picheswar Gadde

It is a matter of pride to witness the growth of Lingaya's Vidyapeeth, formerly Lingaya's Institute of Management and Technology, now recognized as one of the leading self-financed higher education institutions in Haryana. Since its inception, the institution has been known for strong academic initiatives, structured teaching-learning processes, co-curricular and extension activities, and a disciplined academic environment.

VICE CHANCELLOR'S MESSAGE

Major General Dr. Yogesh Chaudhary VSM(R)

At Lingaya's Vidyapeeth, every programme is designed to nurture lifelong learning, through the dedicated efforts of its faculty—ensuring a high-quality academic ecosystem, effective teaching and thoughtful mentorship—the institution builds a strong foundation for students future success. Being part of Lingaya's Vidyapeeth at this significant phase of its journey is both an honour and a privilege.

REGISTRAR'S MESSAGE

Prof. (Dr.) Seema Bushra

Lingaya's Vidyapeeth is committed to delivering quality education supported by practical exposure and strong placement opportunities, while fostering an encouraging environment focused on the holistic (360°) development of students. The achievements of its alumni across diverse fields stand as a testament to this commitment.

CHIEF OPERATING OFFICER'S MESSAGE

Mr. Prem Kumar Salwan

At Lingaya's Vidyapeeth, operational excellence forms the backbone of academic success. As Chief Operating Officer, my focus is on strengthening governance, systems, and processes that enable seamless academic and administrative functioning across the University. By fostering efficiency, transparency, and accountability, we strive to create a supportive ecosystem where teaching, learning and research can flourish. It is a privilege to contribute to Lingaya's Vidyapeeth at a pivotal stage of its institutional journey.

”

VISION

Traditionally believing that God is the Source of all Truth, Goodness, and Beauty, Lingaya's Vidyapeeth seeks to develop in students a wisdom that translates academic achievement into responsible citizenship, sincere professional service, a deep respect for life and beauty in God's Creation and Recreation.

“
**Mission without
Vision is a nightmare.**
”

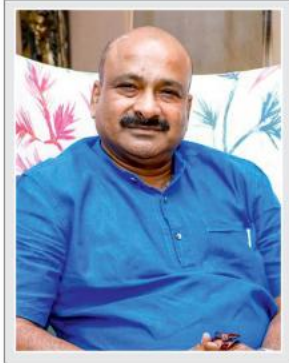

MISSION

- To commit to excellence in thought and action.
- To impart knowledge and skills and to mould attitude required for careers in Technical and Management fields by careful guidance and instruction for self-learning in both formal and informal modes.
- To dedicate oneself to improve social and economic status and enhance the quality of life for all.
- To strive to maximize human welfare through education and produce effective knowledgeable staff, practitioners and educators who will be guided by vision, compassion, knowledge, disciplined discovery and deep respect for human values.
- To provide an individual engineering and other professional learning experience for each student.
- To develop critical thinking, analytical abilities and creative skills.
- To supplement the curricula with teamwork, leadership, persuasive oral and written skills, project management, financial aspects, social concerns and ethics.
- To establish Industry-Institution interaction for technology, research and development.

ACADEMIC COUNCIL

The Academic Council, being the highest academic authority, is committed to maintaining the best Academic ecosystem to achieve holistic development of our students. This think tank is an amalgamation of rich academic profile & administrative expertise with growth oriented goals.

Prominent Members of Academic Council are as under:

Major General (Dr) Yogesh Chaudhary,
VSM(R) - Vice Chancellor, Chairman

Prof. (Dr.) Seema Bushra
Registrar, Secretary

Dr. Pranav Mishra
Member (Academician)

Dr. Padmavathi Kuppusamy
Member (Dean, School of Nursing)

Prof. (Dr.) Ajay Pal Singh
Member (Professor, Pharmacy)

Dr. Javalkar Dinesh Kumar
Member (Associate Dean Academics)

Dr. Gaurav Sharma
Member (Associate Professor, Civil Engg.)

Ar. Aditi Arora
Member (Associate Professor, Architecture & Planning)

Dr. Subbarao Chamarthi
Member (Associate Professor, Mech. Engg.)

Dr. Neha Guleria
Member (Assistant Professor, SOCM)

Ms. Shilpa Sharma
Member (Assistant Professor, Law)

Executive Council

The Apex body at Lingaya's Vidyapeeth in addition to regular members, is privileged to have following eminent Academicians & Domain Experts:

Mr. Bhavik
Member (Society Nominee)

Prof. Shiv Raj Singh
Member (Professor, CCSU Meerut UGC Nominee)

Prof. D. P. Agrawal
Member (Society Nominee)

Prof. (Dr.) I. K. Bhat
Member (Society Nominee)

Mr. Mao Mahapatra
Member (Society Nominee)

BEGIN YOUR ACADEMIC **JOURNEY** WITH LINGAYA'S VIDYAPEETH

ABOUT US

Guided by the patriotic ideals of freedom fighter Late **Shri Lingaya Gadde** and the academic vision of **Prof. V.K. Sinha**, **Lingaya's Vidyapeeth** traces its roots to **Lingaya's Institute of Management and Technology (LIMAT)**, established in 1998 with approval from AICTE. LIMAT earned prestigious accreditation from NBA for academic quality and was later upgraded to **Lingaya's Vidyapeeth** with approval of the Government of India under Section 3 of the UGC Act 1956.

Accredited by NAAC, **Lingaya's Vidyapeeth** is dedicated to excellence in professional higher education and research across Engineering, Technology, Management, Law, Pharmacy, Sciences, Humanities, Medical and paramedical sciences, Agriculture and other emerging disciplines, aligned with contemporary global and industry needs.

Located in the National Capital Region (NCR) of Delhi, **Lingaya's Vidyapeeth** boasts of a sprawling pollution-free campus set amidst the Aravalli ranges, with a built-up area of over 1.2 million sq. ft. The campus is fully equipped with modern academic blocks, air-conditioned library, laboratories, workshops, auditorium, student activity centre, sports and residential facilities along with 24×7 medical services and essential amenities. With an ideal student-faculty ratio, the Vidyapeeth ensures personalized academic attention through structured student monitoring and support systems. It nurtures students to become proactive ambassadors of change and maintains academic collaborations with reputed national and international higher educational institutions.

ACADEMIC PROGRAMS & ELIGIBILITY

SCHOOL OF ENGINEERING & TECHNOLOGY

Programmes Offered	Duration	Eligibility
Bachelor of Technology (B.Tech) <ul style="list-style-type: none"> ▪ Electronics & Comm. Engg. (ECE) ▪ Mechanical Engineering (ME) ▪ Mechanical & Automobile Engg. (MAE) ▪ Civil Engineering (CE) ▪ Electrical Engineering (EE) 	4 Years	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 Exam from a recognized board including Physics, Mathematics and either Chemistry or Computer science subjects (PCM) combined.
Bachelors of Technology (Lateral Entry), (ECE, ME, MAE, CE, EE)	3 Years	Candidates should have passed with a minimum of 50% marks and Passed 10+3 Diploma examination from a recognized board.
Master of Technology (M.Tech) <ul style="list-style-type: none"> ▪ CSE ▪ ECE, ▪ ME ▪ CE 	2 Years	Candidates should have passed graduation with a minimum of 55% marks or equivalent in the related/allied field.
B.Tech in Computer Science Engg. (CSE AI & ML, AI, Data Science, Industry- Oriented Specialisation).	4 Years	Candidates should have passed with a minimum of 55% marks or equivalent in 10+2 Exam from a recognized board including Physics, Mathematics and either Chemistry or Computer science subjects (PCM) combined.
B.Tech in Computer Science Engg. (CSE) Lateral	3 Years	10+3 Diploma with at least 50% marks from a recognised board in the respective fields of Computer Engineering. BCA/B.Sc (CS) is eligible for B.Tech (CSE). B.Sc with Mathematics as one of the subjects is required for admission.

SCHOOL OF PHARMACY

Programmes Offered	Duration	Eligibility
Diploma in Pharmacy (D.Pharm.)	2 Years	Candidates should have passed the 10+2 Exam with a minimum of 55% marks or equivalent from a recognized board, including Physics, Chemistry, and English with Mathematics or Biology as a subject from a recognized board.
Bachelor of Pharmacy (B.Pharm.)	4 Years	Candidates should have passed the 10+2 Exam with a minimum of 55% marks or equivalent, including Physics, Chemistry, and English with Mathematics or Biology as a subject from a recognized board.
Bachelor of Pharmacy (Lateral Entry)	3 Years	Candidates should have passed Diploma in Pharmacy with a minimum of 50% marks or equivalent from a recognised board.
Master of Pharmacy (Pharmaceutics)	2 Years	Candidates should have passed Bachelor in Pharmacy with a minimum of 55% marks or equivalent from a recognised board.

SCHOOL OF BASIC & APPLIED SCIENCES

Programmes Offered	Duration	Eligibility
Bachelor of Science (B.Sc.) <ul style="list-style-type: none"> ▪ Physics with Quantum Computing ▪ Chemistry (Hons.) ▪ Mathematics with Data Science & Statistics 	3 Years	Candidates should have passed the 10+2 Exam with a minimum of 50% marks or equivalent, including Physics, Chemistry, and English with Mathematics or Biology as a subject from a recognized board.
Bachelor of Science (Hons.) (Biotechnology)	4 Years (with exit option after 3 Yrs)	Candidates should have passed the 10+2 Exam with a minimum of 55% marks or equivalent including Physics, Chemistry, and English with Biology/Mathematics as a subject from a recognized board.
Master of Science (M.Sc.) (Physics, Chemistry, Mathematics & Biotechnology)	2 Years	Candidates should have passed B.Sc. with a minimum of 55% marks in relevant subjects from a recognised university.

SCHOOL OF COMPUTER APPLICATIONS

Programmes Offered	Duration	Eligibility
Bachelor of Computer Application (BCA) (AIML, Data Science, Cyber Security & IOT).	3 Years	Candidates should have passed with a minimum of 55% marks or equivalent in 10+2 Exam including compulsory English with Mathematics / Statistics / Computer Science as one of the subjects from a recognized board.
Master of Computer Application (MCA) (Industry Oriented Specialisation).	2 Years	Candidates should have passed with a minimum of 55% marks or equivalent in B.C.A./ B.Sc. /B.Com. /B.A. Degree including Compulsory English with Mathematics / Statistics / Computer Science as one of the subjects from a recognised University.

SCHOOL OF ARCHITECTURE & PLANNING

Programmes Offered	Duration	Eligibility
Bachelor of Architecture (B. Arch.)	5 Years	Candidates should have passed with a minimum of 55% marks or equivalent in 10+2 Exam with PCM & NATA or JEE paper 2 Exam. Candidates should have passed with a minimum of 55% marks in 10+3 Diploma with Mathematics as a compulsory subject and NATA or JEE paper 2 Exam.
Master of Planning (M. Plan / Urban)	2 Years	Candidates should have passed B.Arch/B.E in Civil/ B.Planning/M.A in Sociology/ Geography/Economics with a minimum of 55% marks from a recognised board.

SCHOOL OF LAW

Programmes Offered	Duration	Eligibility
Bachelor of Law (LL.B)	3 Years	Candidates should have passed with a minimum of 55% marks or have a Bachelor's degree from a recognized board.
BA LL.B (Integrated)	5 Years	Candidates should have passed with a minimum of 55% marks or equivalent in 10+2 from a recognized board.
BBA LL.B (Integrated)	5 Years	Candidates should have passed with a minimum of 55% marks or equivalent in 10+2 from a recognized board.
LL.M. (Criminal Law, Corporate Law, Constitutional Law, Cyber law, International Law)	1 Year	Candidates should have passed with a minimum of 55% marks or equivalent in LLB / BA LL.B / BBALL.B.
LLM (Constitutional Law, Criminal Law & IPR Law)	2 Years	Candidates should have passed with a minimum of 55% marks or equivalent in LLB / BA LL.B / BBALL.B.

SCHOOL OF AGRICULTURE

Programmes Offered	Duration	Eligibility
Bachelor of Science(Hons.) in Agriculture	4 Years	10+2 in the Science stream with at least 55% aggregate marks in PCM, PCB, PCBM (Physics, Chemistry, Biology, Mathematics), or Agriculture from a recognized board.
B.Sc. in Seed Science	3 Years	10+2 in the Science stream with at least 55% aggregate marks in PCM, PCB, PCBM (Physics, Chemistry, Biology, Mathematics), or Agriculture from a recognized board.
Master of Science in Agriculture (All Branches)	2 Years	Bachelor's degree in BSc Agriculture/Botany with at least 55% marks from a recognized university

SCHOOL OF COMMERCE & MANAGEMENT

Programmes Offered	Duration	Eligibility
Bachelor of Business Administration (BBA) Specializations : Marketing, Banking & Finance, Human Resource Management, International Business, Logistic & Supply Chain Management, Digital Marketing, Entrepreneurship & Small Business Management, Business Analytics.	3 Years	Candidates should have passed with a minimum of 55% marks or equivalent in 10+2 from a recognized board.
Bachelor of Commerce (Hons.) with Applied Science & Investment Banking	3 Years	Candidates should have passed with a minimum of 55% marks or equivalent in 10+2 from a recognized board.
Bachelor of Commerce (ACCA)		
BBA+MBA (BMI) - Integrated	4.5 Years	Candidates should have passed with a minimum of 55% marks or equivalent in 10+2 from a recognized board.
Master of Business Administration Dual Specializations : Marketing, Finance, Human Resource Management, International Business, Operation & Management, Entrepreneurship & Small Business Management, Event & Media Management, Management Information System, Healthcare & Hospital Management, Business Analytics and Banking & Finance Management.	2 Years	Candidates should have passed with a minimum of 55% marks or equivalent in any Undergraduate degree from a recognized board.

SCHOOL OF HUMANITIES & SOCIAL SCIENCES

Programmes Offered	Duration	Eligibility
B.A. (Hons.) English with Corporate Communication and Content Writing	3 Years	Candidates should have passed with a minimum of 50% marks or equivalent in 10+2 from a recognized board.
Master of Arts (English)	2 Years	Candidates should have passed with a minimum of 55% marks or equivalent in an Undergraduate degree in English as one of the subjects.

- 5. Leadership & Entrepreneurship Incentive:** Students demonstrating strong leadership or entrepreneurial skills receive mentorship, networking, technical support, funding and infrastructure to launch ventures.
- 6. Policy Review:** Incentive schemes may be revised periodically based on feedback and their impact on student performance and engagement.

Pre-requisite for continuation of Scholarship /Tuition Fee Waiver

- The student must have no indiscipline cases.
- Minimum 95% attendance is mandatory.
- The student must be eligible to appear in the end-semester examination.
- Only one scholarship or tuition fee waiver is permitted during the program tenure.
- The prescribed fee must be paid within the stipulated deadline.
- The student must not be involved in illegal activities like groupism or anti-university activity.
- Scholarships are not granted to students with academic backlogs.
- The student must pay the full first-year fee, with any eligible scholarship disbursed separately upon meeting admission conditions.

Failure to meet any of the above conditions will result in immediate discontinuation of the scholarship with no scope for continuation requests.

-  Academic Scholarship
-  Fee deposit Incentive
-  Extracurricular Incentive
-  Research and Innovation Incentive
-  Leadership and Entrepreneurship Incentive

The Road to Reach Your Career Goals

Ph.D ADMISSION PROCESS & RELATED INFORMATION

All the candidates seeking admission to various Programs of the Vidyapeeth must apply Online /Offline as per the prescribed format available on the Website or with the Vidyapeeth. Admissions will be based on an Entrance Test and Interview process strictly as per merit.

Admission to Ph.D. Program

Eligibility

1 Ph.D in Engineering Technology related disciplines:

For admission to Ph.D. Programs in Engineering/ Technology or related disciplines, the candidate must have minimum 55% marks or minimum grade point equivalent to 55% Marks in M.E/M.Tech in the concerned subject or related/ allied disciplines.

2 Ph.D. in Basic Sciences (Physics, Chemistry, Mathematics):

Candidate must have minimum 55% marks or minimum grade point equivalent to 55% marks in M.Sc./ M.Tech in the concerned subject or related/ allied disciplines. B.Sc. (4 Year) research /NET /GATE qualified.

3 Ph.D. in Management, Pharmacy, and Non-Engineering Disciplines:F

For Ph.D. Programs in Management, Pharmacy, and Non-Engineering fields, the candidates must have minimum of 55% marks or equivalent Grade in PG Degree in the concerned subject or related/allied disciplines.

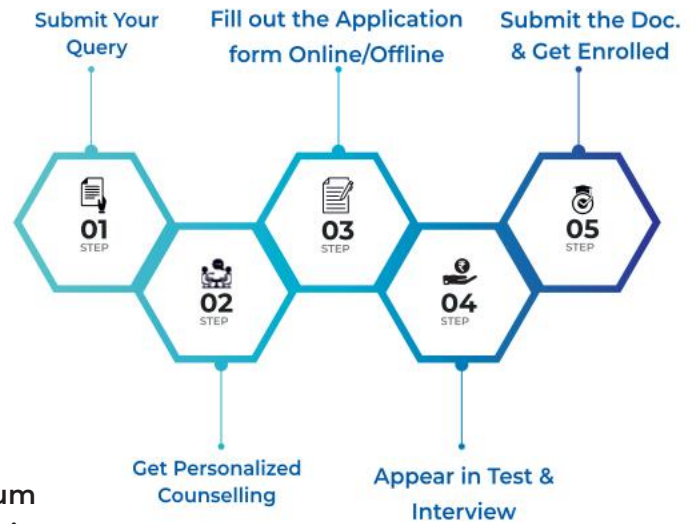

Admission Process

Admission for the Ph.D. Entrance Exam

- 1 The interested candidates shall apply through a formal application form, available on the Website of the Vidyapeeth or from the Academics Section of the Vidyapeeth for the entrance test in January & June.
- 2 UGC NET /JRF, SLET, GATE, CSIR and equivalent exams qualified candidates are exempted from entrance test.
- 3 A merit list will be prepared department-wise for admission.
- 4 Admission may be made twice in a year: Winter Session (Dec-Jan) and Summer Session (June-July). The exact dates for the same shall be notified on the Website of the Vidyapeeth.
- 5 Only a predetermined number of students, depending upon vacancies shall be selected for admission to the Ph.D program.

6 Candidates will be admitted in only those areas of specialization for which resources and facilities are available in the Vidyapeeth.

7 Full-time Ph.D. Scholars shall be given (Rs. 30,000 - 40,000/-) fellowship as per the UGC norms.

ADMISSION PROCEDURE FOR INTERNATIONAL STUDENTS

"A Journey to Global Insight"

Application Submission Process

Applicants must submit the application form to the International Admissions Office along with the prescribed fee and required documents by mail or post.

Document Verification

Documents are forwarded by the student or the International Student Global Relations (ISGR) Cell to the Association of Indian Universities or other relevant councils to obtain an equivalence certificate confirming eligibility. Foreign students are exempt from entrance examinations unless required by a statutory body, subject to meeting eligibility criteria.

Visa Requirements

- 1 Entrance examinations are not required for foreign students unless mandated by a statutory body.
- 2 After eligibility verification, the ISGR Cell issues a provisional admission letter and advises the student to obtain a student visa.
- 3 On submission of the visa and required certificates, the student is instructed to deposit the prescribed fee and medical certificate.
- 4 A valid student visa is mandatory for all Foreign National and NRI students for full-time programmes; no other visa endorsement is accepted.

Fee Payment Guidelines

International students must pay fees in USD.

CENTRE FOR CAREER COUNSELLING, PLACEMENT & GUIDANCE

Counselling, career guidance and placements are key strengths of Lingaya's Vidyapeeth. To help students navigate diverse career options, the university conducts focused professional development programs and builds industry exposure through visits, workshops, guest lectures, training and internships.

Professional Development Program focuses on :

- Communication, public speaking, and personality development.
- Career guidance, holistic growth and aptitude assessment.
- Group discussions, mock interviews and entrepreneurship promotion.
- Competitive exam preparation (GRE, GMAT, CAT, GATE).
- Bridging academia-industry gaps through technical bridge courses.

Six-Months Internship / On-The-Job Training

Lingaya's Vidyapeeth offers a final-semester industry internship for B.Tech students. The Centre places students in relevant industries, monitors their progress and enables collaboration with faculty and industry mentors, helping many secure final placements during the internship.

Corporate Tie-ups

A structured placement framework provides 100% placement assistance, with the Placement Committee and the Industry Interaction Development Centre (IIDC) coordinating closely with employers from day one.

Incubation Centre for Entrepreneurs

A Virtual Incubation Centre, in collaboration with the Institute for Industrial Development, supports aspiring student entrepreneurs through industry academia partnerships and entrepreneurship programs linked with the Ministry of MSME, Government of India. Lingaya's Vidyapeeth is now a host institute for MSME, Govt. of India.

Some of our Major Recruiters are:

AON Hewitt | Collabera | DLF | Eicher Engines | Genpact | Global Logic | HUAWEI | IDBI | Indian Oil | Indian Army | Indian Navy | YAMAHA | JBM | JCB | Kotak Bank | Maruti | Olympus | Religare | TCS | AKS IT | Nirvana | Optimous | Ventino | Cognizant | Elimer International | Elite Engineers | ICICI Bank (NIIT) | MS Matrix PVT. LTD. | Saarthak Vanijya Amrita Hospital | Cipla | Mankind Pharma | Apollo Pharmacy

CAMPUS LIFE

HOSTELS

Lingaya's Vidyapeeth offers air-conditioned and non-air conditioned on-campus hostels for boys and girls with furnished rooms, Wi-Fi, power backup, gym, library, sick bay, common areas and hot/cold water facilities. A swimming pool is available in the boys' hostel.

CAFETERIA

Air-conditioned cafeterias, provide hygienic and nutritious meals, supported by fast-food (veg/non-veg) outlets and juice corners.

ATM FACILITY

For the convenience of staff and students, on Campus, ATM facility is available.

TRANSPORT

Regular air-conditioned transport services connecting the campus with major locations across Delhi NCR.

MEDICAL CARE

On-campus medical facilities includes a qualified Medical Officer, nursing staff, free consultation and medicines and an emergency ambulance.

SHOPPING CENTRE

A shopping centre on campus to meets the daily needs of hostellers and day scholars.

AUDITORIUM

A centrally air-conditioned auditorium with modern sound and lighting systems supporting the academic and cultural events.

ACTIVITIES GALORE

SPORTS & CO-CURRICULAR ACTIVITIES

Lingaya's Vidyapeeth emphasizes holistic development beyond academics through strong sports and co-curricular programs. The campus offers indoor and outdoor sports facilities, hosts an annual "Sports Meet", and organizes the flagship cultural festival "Zest", a 2-3 days student-led event held each October. Clubs such as Robotics, Electronics, Theatre, Music, and Photography provide platforms to nurture creativity and talent.

SEMINAR HALLS

Air-conditioned seminar halls equipped with modern LCD projection and sound systems supports guest lectures, seminars, paper presentations and academic events.

NATIONAL SERVICE SCHEME (NSS)

The NSS Unit conducts annual blood donation camps and community outreach programs in nearby villages, focusing on health, hygiene, education and social awareness.

ALUMNI ASSOCIATION

The Alumni Association, active for over eight years, organizes annual Alumni Meets, enabling student-alumni interaction and exposure to professional trends and industry expectations.

INTERNATIONAL ACADEMIC COLLABORATIONS & AWARDS

INTERNATIONAL & NATIONAL COLLABORATIONS

Lingaya's Vidyapeeth has signed multiple MOUs with reputed national and international institutions to promote student and faculty exchange, experiential learning and global exposure.

Key collaborations include an MOU with *City of Glasgow College* for credit exchange in new programmes and with *Kensley College* to launch new courses, joint projects and reciprocal visits of students, faculty and researchers. An MOU with *EduSkills* provides access to digital content from global academic programs, along with talent-connect and internship opportunities.

GLOBAL ACADEMIC ENGAGEMENT

The Vidyapeeth promotes international collaboration through exchange of academic materials, research, publications, faculty, students, joint meetings and development of digital instructional media, including credit and non-credit courses.

TWINNING WITH INTERNATIONAL DEGREE PROGRAMS

Through Twinning Programs with international universities, students can complete part of their studies at Lingaya's Vidyapeeth and the remainder abroad, earning international degrees with enhanced global exposure and academic quality.

INTERNATIONAL PARTNERSHIPS

To further strengthen global outreach, MOUs have been signed with *Webster University Thailand*, *Graduate Institute of Science and Management*, *Voronezh State Technical University* and *Escuela Superior*, enabling international learning, research collaboration and student mobility.

LINGAYA'S VIDYAPEETH & L&T EDUTECH TIE-UP FOR PLACEMENT PREPARATORY AND VALUE-ADDED COURSES

“All of us do not have equal talent. Yet, all of us have an **EQUAL OPPORTUNITY TO DEVELOP Our talents**”

- Ratan Tata

In today's competitive job market, academic degrees alone are insufficient, as employers seek graduates with additional industry-relevant skills. To bridge this gap, Lingaya's Vidyapeeth has partnered with L&T EduTech to offer placement-focused and value-added courses delivered by industry experts, in alignment with the National Education Policy 2020 emphasizing on industry-driven learning.

Overview of the Partnership

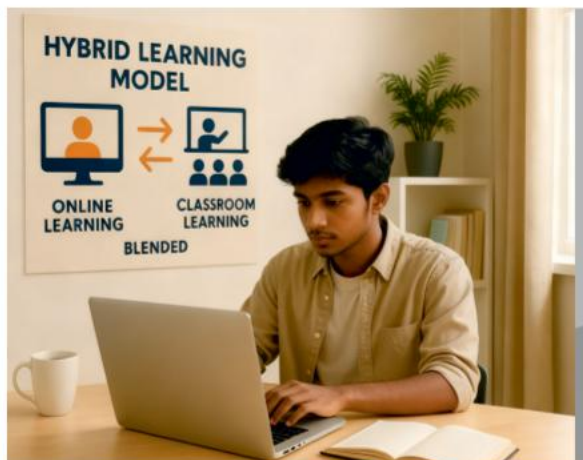

Through this academic partnership, students gain access to placement preparatory and value-added courses, strengthening their academic profiles and enhancing overall employability.

Why is an industry-oriented course important?

Industry-academic partnerships enhance employability, guide career choices, broaden knowledge, build skills and network and boost placement opportunities.

Mode of Delivery:

Hybrid learning with self-paced videos, industry case studies, expert sessions, projects and assessments.

Good companies will meet needs; great companies will create markets.

- Phillip Kotler

Why Choose the L&T EduTech Integrated Program?

- Learn from the Experts
- Assessments & Certification
- Supercharged Employability
- NEP 2020 Aligned
- Industry-Validated Curriculum

RESEARCH, DEVELOPMENT & INNOVATION (RDI)

Lingaya's Vidyapeeth emphasizes a pragmatic approach to Research, Development and Innovation, recognizing that in today's knowledge economy, intellectual skills and innovative thinking are critical to creating economic and societal values. The Vidyapeeth focuses on equipping students and faculty with problem-solving, creative and convergent thinking skills to thrive in a rapidly evolving global environment.

Visit of MSME Officials

Host Institute for Ministry of MSME, Govt. of India

R&D Cell

The R&D and Innovation Cell drives research and innovation across the university by:

- Supporting faculty and student Ph.D. enrollments by organizing expert lectures, etc.
- Undertaking R&D projects, addressing local and global challenges.
- Involving graduate and postgraduate students in research activities.
- Integrating R&D into curricula.
- Collaborating with industry, universities and institutions.
- Promoting multi-disciplinary research, publications, patents and copyrights.
- Facilitating entrepreneurship, incubation, workshops, conferences and expert lectures.

1 Board of Research, Innovation, Consultancy and Entrepreneurship (RICE).

The RICE Board fosters a research and innovation culture by:

- Engaging students, faculty and industry in RDI activities.
- Guiding research and innovation from undergraduate to Ph.D. levels.
- Identifying key research and innovation thrust areas.
- Developing policies for research proposals, innovation hubs, consultancy, entrepreneurship, and IPR/patents.
- Establishing awards and recognition for achievements in RDI.

2 Lingaya's Innovation Incubation Entrepreneurship & Start-ups (LIIES)

LIIES promotes creativity, innovation and entrepreneurship by providing infrastructure, resources, soft loans/equity and knowledge access to support student and faculty ventures.

3 Lingaya's Innovation, Creation, Entrepreneurship (LICE)

- Supports 'Make in India' by creating commercially viable product processes and services.
- Provides end-to-end support from ideas to successful enterprises.
- **Eligible participants:**
 - Students & alumni of Lingaya's Group of Institutions
 - Faculty (current & former)
 - Partners of LGI members
 - R&D collaborators & sponsors
 - Government agencies linked to LGI research

4 Research Advisory Committees (RACs)

- Each department has an RAC with experts from premier institutions.
- RACs identify research areas and projects within schools/departments.

5 Research Policy & Advisory Committee

- Includes external academic & industry experts from IITs, NITs, & Central Universities.
- **Functions:**
 - Advise & review Ph.D. work.
 - Enhance relevance and quality of research.

6 Additional Initiatives

- Consultancy policy updated for industrial projects.
- Faculty & students undertake projects in **CFD, Image Processing, Pattern Recognition**, etc.
- Ph.D. regulations revised as per UGC norms.
- Student innovation promoted via projects, workshops and competitions from semester 3.

Research & Development Areas

- **Engineering & Technology:** AI, IoT, Cloud Computing, Embedded Systems, VLSI, CFD, Structural & Seismic Engineering, Energy Research, Sustainable Housing, Traffic & Waste Management.
- **Management & Finance:** Project & Risk Management, Retailing, Digital Management.
- **Humanities & Social Sciences:** English Language & Literature, Linguistics, Psychology, ICT in Agriculture, Rural Education, Urban Development.
- **Science & Technology:** Big Data, Digital Signal Processing, Microstrip Antennas, Polymers, E-Security, Human-Computer Interface, Image Processing.

START-UP INITIATIVE

- Lingaya's Vidyapeeth has established an exclusive cell to support startups, providing **infrastructure, technical guidance and financial support** (including shareholding).

"Start small, dream big, and never give up!"

- Universities play a vital role in fostering innovation and entrepreneurship; this policy provides a **framework to support students and staff** in launching ventures.

Policy Statement:

Lingaya's Vidyapeeth is committed to create a **supportive, inclusive environment** for innovation and entrepreneurship by:

- **Fostering creativity, risk-taking, and collaboration** amongst students and staff.
- **Encouraging development of ideas** into successful ventures with access to resources and mentorship.
- **Facilitating networking and collaboration** internally with investors, mentors and entrepreneurs.
- **Promoting innovation and entrepreneurship** across all faculties and disciplines.

Support Mechanisms:

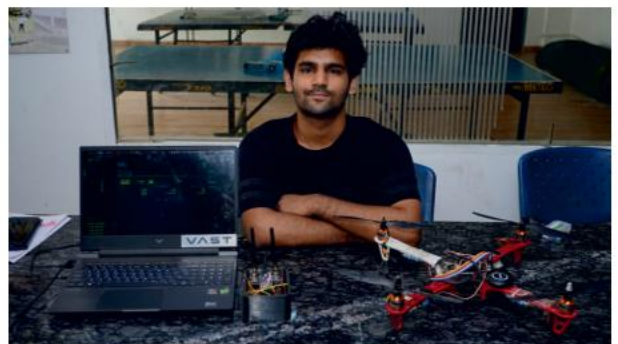

- **Access to Business Incubators:** Space, equipment, mentorship and coaching to turn ideas into businesses.
- **Seed Funding:** Financial support for prototyping, manufacturing and marketing of new ventures.
- **Entrepreneurship Training & Workshops:** Programs to develop business management and innovation skills.
- **Networking & Collaboration:** Opportunities with investors, entrepreneurs and key stakeholders via events and platforms.

- **Intellectual Property Support:** Guidance on patents, trademarks, licensing and legal issues.
- **Marketing & Communication Support:** Branding, PR and social media assistance.

Our Startups & their Accomplishments

We are incubating a number of student startups having patent-pending innovative products of societal use. These products are based on advanced state-of-the-art technologies, like, AI, Deep Learning/Neural Networks, Machine Learning, Robotic, Drone technologies, Blockchain, IoT, Embedded Devices, Sensors, etc. These startups have won multiple national-level and state-level recognitions.

- Winner of Ministry of MSME Hackathon with the grant of Rs. 15 Lakhs. MSME gives grant only to 488 entries out of 29,237 entries. Thus, our startup is among top 1.67% entries in India.
- Our multiple startups are shortlisted in the Ministry of Education Yukti Challenge.
- Various startups are winners of Haryana State Universities Business Startup Idea competition, awarded by the state Chief Minister.
- Received funding from external investor firm.

The Road to Reaching Your Career Goals
